

**DISPOSITION OF PROPERTY
GUIDELINES FOR
OGDENSBURG BRIDGE AND PORT AUTHORITY**

**ADOPTED PURSUANT TO SECTIONS 2895-2897 OF THE PUBLIC AUTHORITIES
LAW
(JANUARY 2007)**

SECTION A. DEFINITIONS.

For the purposes of these guidelines, unless a different meaning is required by the context:

1. "Contracting Officer", shall mean the officer or employee of the Ogdensburg Bridge and Port Authority (hereinafter, the "Authority") who shall be appointed by resolution of the Board of the Authority to be responsible for the disposition of property.
2. "Dispose" or "disposal" shall mean transfer of title or any other beneficial interest in personal or real property in accordance with Section 2897 of the Public Authorities Law.
3. "Property" shall mean personal property in excess of five thousand dollars (\$5,000) in value, real property, and any inchoate or other interest in such property, to the extent that such interest may be conveyed to another person for any purpose, excluding an interest securing a loan or other financial obligation of another party.

SECTION B. DUTIES OF THE AUTHORITY WITH RESPECT TO THE DISPOSAL OF PROPERTY.

1. The Authority shall:
 - (a) maintain adequate inventory controls and accountability systems for all property under its control;
 - (b) periodically inventory such property to determine which property shall be disposed of;
 - (c) produce a written report of such property in accordance with subdivision 2 of this section; and
 - (d) transfer or dispose of such property as promptly as possible in accordance with Section C below.
2. (a) The Authority shall publish, not less frequently than annually, a report listing all real property of the Authority. Such report shall consist of a list and full description of all real and personal property disposed of during such period. The report shall contain the price received by the Authority and the name of the purchaser for all such property sold by the Authority during such period;
- (b) The Authority shall deliver copies of such report to the Comptroller of the State of New York, the Director of Budget of the State of New York, the

Commissioner of the New York Office of General Services, and the New York State Legislature (via distribution to the majority leader of the senate and the speaker of the assembly);

SECTION C. DISPOSAL OF AUTHORITY PROPERTY.

1. Supervision and Direction. Except as otherwise provided in this section, the duly appointed Contracting Officer shall have supervision and direction over the disposition of property of the Authority.
2. Custody and Control. The custody and control of Authority property, pending its disposition, and the disposal of such property, shall be performed by the Authority or by the Commissioner of General Services when so authorized under this section.
3. Method of Disposition. Unless otherwise permitted, the Authority may dispose of property for not less than its fair market value by sale, exchange, or transfer, for cash, credit, or other property, with or without warranty, and upon such other terms and conditions as the Authority and/or Contracting Officer deems proper. The Authority may execute such documents for the transfer of title or other interest in property and take such other action as it deems necessary or proper to dispose of such property under the provisions of this section. Provided, however, that no disposition of real property, any interest in real property, or any other property which because of its unique nature is not subject to fair market pricing shall be made unless an appraisal of the value of such property has been made by an independent appraiser and included in the record of the transaction.
4. Sales by the Commissioner of General Services (the "Commissioner"). When it shall be deemed advantageous to the State of New York, the Authority may enter into an agreement with the Commissioner where under such Commissioner may dispose of property of the Authority under terms and conditions agreed to by the Authority and the Commissioner. In disposing of such property, the Commissioner shall be bound by the terms hereof and references to the Contracting Officer shall be deemed to refer to such Commissioner.
5. Validity of Deed, Bill of Sale, Lease, or Other Instrument. A deed, bill of sale, lease, or other instrument executed by or on behalf of the Authority, purporting to transfer title or any other interest in property of the Authority in accordance herewith shall be conclusive evidence of compliance with the provisions of these guidelines and all applicable law insofar as concerns title or other interest of any bona fide grantee or transferee who has given valuable consideration of such title or other interest and has not received actual or constructive notice of lack of such compliance prior to the closing.
6. Bids for Disposal; Advertising; Procedure; Disposal by Negotiation; Explanatory Statement.

- (a) All disposals or contracts for disposal of property of the Authority made or authorized by the contracting officer shall be made after publicly advertising for bids except as provided in paragraph (c) of this subdivision.
- (b) Whenever public advertising for bids is required under paragraph (a) of this subdivision;
 - I. the advertisement for bids shall be made at such time prior to the disposal or contract, through such methods, and on such terms and conditions as shall permit full and free competition consistent with the value and nature of the property;
 - II. all bids shall be publicly disclosed at the time and place stated in the advertisement; and
 - III. the award shall be made with reasonable promptness by notice to the responsible bidder whose bid, confirming to the invitation for bids, will be most advantageous to the State, price and other factors considered; provided, that all bids may be rejected when it is in the public interest to do so.
- (c) Disposals and contracts for disposal of property may be negotiated or made by public auction without regard to paragraphs (a) and (b) of this subdivision but subject to obtaining such competition as is feasible under the circumstances; if:
 - I. the personal property involved is of a nature and quantity which if disposed of under paragraphs (a) and (b) of this subdivision, would adversely affect the State or local market for such property, and the estimated fair market value of such property and other satisfactory terms of disposal can be obtained by negotiation;
 - II. the fair market value of the property does not exceed fifteen thousand dollars (\$15,000);
 - III. bid prices after advertising therefore are not reasonable, either as to all or some part of the property, or have not been independently arrived at in open competition;
 - IV. the disposal will be to the State or any political subdivision, and the estimated fair market value of the property and other satisfactory terms of disposal are obtained by negotiation;
 - V. the disposal is for an amount less than the estimated fair market value of the property, the terms of such disposal are obtained by public auction or negotiation, the disposal of the property is intended to further the public health, safety or welfare or an economic development interest of the State or a political subdivision (to include but not limited to, the prevention or remediation of a substantial threat to public health or safety, the creation or retention of a substantial number of job opportunities, or the creation or retention of a substantial source of revenues, or where the Authority's enabling legislation permits), the purpose

and the terms of such disposal are documented in writing and approved by resolution of the Board of the Authority; or such action is otherwise authorized by law.

- VI.
- (d) I. An explanatory statement shall be prepared of the circumstances of each disposal by negotiation of:
- (1) any personal property which has an estimated fair market value in excess of fifteen thousand dollars (\$15,000);
 - (2) any real property that has an estimated fair market value in excess of one hundred thousand dollars (\$100,000), except that any real property disposed of by lease or exchange shall only be subject to clauses (3) through (5) of this subparagraph;
 - (3) any real property disposed of by lease for a term of five years or less, if the estimated fair annual rent is in excess of one hundred thousand dollars (\$100,000) for any of such years;
 - (4) any real property disposed of by lease for a term of more than five years, if the total estimated rent over the term of the lease is in excess of one hundred thousand dollars (\$100,000); or
 - (5) any real property or real and related personal property disposed of by exchange, regardless of value, or any property any part of the consideration which is real property.
- II. Each such statement shall be transmitted to the persons entitled to receive copies of the report required under all applicable law not less than ninety (90) days in advance of such disposal, and a copy thereof shall be preserved in the files of the Authority.

SECTION D. OTHER MATTERS.

The disposal of Authority property not defined in the above guidelines (personal property with a value less than \$5,000) will be disposed of through the process of advertising and awarding sealed bids, at the discretion of the Authority, and upon approval of the Board of the Authority.

The guidelines are subject to modification and amendment at the discretion of the Authority Board and shall be filed annually with all local and State agencies as required under all applicable law.

The designated Contracting Officer shall be the Authority's Executive Director.

These guidelines shall be annually reviewed and approved by the Authority's Board.

These guidelines shall be posted on the Authority's internet website.
